Consequences of unacceptable behavior

Unacceptable behavior will not be tolerated whether by an attendee, media, speaker, volunteer, organizer, venue staff, partner, sponsor, or exhibitor. Anyone asked to stop unacceptable behavior is expected to comply immediately.

If a participant engages in unacceptable behavior, the event organizers may take any action they deem appropriate, up to and including expulsion from the event without warning or refund and if appropriate involvement of local law enforcement.

What to do if you witness or are subjected to unacceptable behavior

If you are subjected to unacceptable behavior, notice that someone else is being subjected to unacceptable behavior, or have any other concerns, please notify an event organizer as soon as possible. You may request that your report remain completely confidential. Event staff will be available to help participants contact venue security or local law enforcement, to provide escorts, or to otherwise assist those experiencing unacceptable behavior. You can report unacceptable behavior to any member of staff or you may email one of the contacts below.

Scope

We expect all WyoHackathon participants, staff, sponsors, volunteers, speakers, attendees, and other guests to abide by this code of conduct at all venues and events.
